

Panacea Payroll makes hiring EASY!

Quick and Easy Onboarding
Anytime and Anywhere.

Simplify and streamline the hiring process with Employee Onboarding

Employee Onboarding is a comprehensive online new hire portal, allowing your clients to increase new hire productivity and engagement. Onboarding permits each Authorized User to access via the Internet to enter the Data required by Onboarding including, but not limited to, security questions and answers, address, social security number, direct deposit information, emergency contacts, federal and state withholding status and electronic signatures for downloaded documents.

It's Easy

It's Timesaving

Reduces Turnover
